

## The Outdoor Playlist – Volume 2 presented by GEOEC

The Global, Environmental & Outdoor Education Council (GEOEC) is one of 21 Specialist Councils in the Alberta Teachers' Association. Just a reminder that if you have NOT yet become a member of GEOEC we would love to have you. For more information follow the link below on our GEOEC website: [www.geoec.org](http://www.geoec.org)

### December 10<sup>th</sup>, 2020 – Playlist Lineup

#### Register Link – [Outdoor Playlist Volume 2](#)

##### Alberta Bats

Susan Holroyd, the Calgary Regional Coordinator for the Alberta Community Bat Program, will be speaking about the Alberta Bats program, the resources currently available to teachers and future materials that will be available soon, including a 'bat-pack'. She will also be seeking input and feedback about the types of resources and materials educators are looking for when it comes to bats.

##### Nature Alive Adventures

Nature Alive is a multifaceted family-run business offering numerous levels of Survival Courses, Bush Craft Courses, and Outdoor Education workshops, as well as Guided Canoe Trips, Guided Winter Camping Trips, National and Provincial Canoe Certifications, Recreational Drum Circle Facilitation and Djembe Instruction, all managed by our certified and experienced staff and partners. Our passion is to offer you a way to immerse yourself into exuberant whole living through exciting and invigorating courses, workshops, and community events.

##### Spirit North

Spirit North empowers Indigenous youth to be unstoppable in sport, school and life. Through the transformative power of Sport & Play, we help youth find the courage to take on any challenge, develop leadership skills, improve their health and wellness, discover new talents and unlock limitless potential.
